FOR IMMEDIATE RELEASE

McLendon takes an ownership stake in Jones Computer and Networking

GREENSBORO, NC – January 1, 2008 – Tamara McLendon, the JonesCAN director of strategic services, has assumed an ownership stake in the company, effective January 1, 2008.

McLendon's responsibilities include daily operations, working with clients to create strategy-driven technology implementation and maintenance plans, and ensuring a high level of customer service.

"I'm excited about the possibilities here at JonesCAN," said McLendon. "They've built a solid reputation among their clients for a high level of service and expertise; and all that remains for me to do is to make sure more people hear about us."

McLendon also is the owner of Lede Public Relations, a small PR firm based in Madison, NC.

About Jones Computer and Networking

Jones Computer and Networking was founded in 2006 by the husband and wife team of Rob and Sarah Jones. From PC support and custom software solutions to the implementation and maintenance of networks spanning multiple locations, JonesCAN works to provide big business technology solutions for the small business budget.
